

# Come and learn how to save your own seed.

## Why?

- It's easy
- It saves you money, no more expensive F1 Hybrids
- It preserves tried and tested heritage varieties
- It develops seed suited to our local soil and climate
- You can swap your seeds at our local Transition Horsham Seedy Saturday in February

## Seed Saving Workshop

At Brinsbury Campus, near Pulborough

On Saturday, 17th September, 2016

10.00am to 12 noon

Tea, coffee and biscuits on arrival

Cost of workshop £5 per person
