

Living for the Future – Generate your own heat and power – Grow your own food – Acquire a skill – Learn a craft – Take up a trade – Be empowered – Be part of it!

Green Drinks

- **Talk about growing your own food**
- **Talk about any aspect of food**
- **Talk about energy, power, heat, light**
- **Talk about transport, buses, bikes**
- **Talk about trees, fruit and nuts**
- **Talk about schools, kids, scratches**
- **Talk about carpentry, sewing, knitting**
- **Talk about houses, cosmetics, cleaning**
- **Get advice, give advice, get an idea**
- **Find a supplier, find a customer**
- **Explore new opportunities, find a job**
- **Or just talk about climate change and life after the end of cheap oil**

**If you like to talk
Green Drinks is for you!**
